OA and ebooks policies: Open access at Springer – an overview

Veronika Spinka, Open Access Manager

Livre électronique et open access conférence

Mardi, 3 juin 2014
Springer key facts

• A leading global scientific, technical and medical publisher, providing researchers in academia, scientific institutions and corporate R & D departments with quality content via innovative information products and services

• Trusted local-language publisher in Europe – especially in Germany and the Netherlands – primarily for physicians and professionals working in healthcare and road safety education

• Turnover of Springer Science+Business Media in 2013: approximately EUR 943 million; in 2012: approximately EUR 981 million; in 2011: EUR 875 million

• Some 2,200 English-language journals and more than 8,400 new book titles published in 2013, in 5 main publishing fields: science, technology, medicine, business, and transport

• Springer eBook Collection with more than 160,000 titles available on link.springer.com

• Largest open access portfolio worldwide, with over 420 open access journals

• More than 7,000 employees worldwide

- SpringerOpen portfolio encompasses over 175 journals, covering all scientific disciplines
- CC BY license
- Copyright author(s)
- APCs EUR 500 to EUR 1,500
- More than 480 SpringerOpen/BioMed Central OA members
SpringerOpen - now including books!

Giving authors in all areas of science, technology and medicine the opportunity to publish open access!
SpringerOpen books in a nutshell

- SpringerOpen books launched in August 2012, covering all scientific disciplines
- All types of books (monographs, edited volumes, SpringerBriefs, proceedings)
- Quality and processes follow traditional books
The business model

• SpringerOpen books charge an OA fee
  • Fee is calculated individually based on the number of pages per book.
• SpringerOpen books are covered by OA Membership Program: OA member authors are entitled to a 15% loyalty discount
• Print copy for individuals (EUR 49.99)
• MyCopy softcover edition (EUR 24.99)
SpringerOpen book titles – OA labeling standards

- All e-version are freely available online for anyone worldwide
- Clearly labeled as open access on SpringerLink and in the chapter full-text
Copyright and license terms facilitate free dissemination

• The SpringerOpen books license:
  Creative Commons Attribution Non-Commercial license

  providing the data and map and helping with the layout.

Open Access. This chapter is distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits any noncommercial use, distribution, and reproduction in any medium, provided the original author(s) and source are credited.

Another tricky question: NC or not

• Are books different from journals?
• Will customers still buy print for OA books? If yes, from whom?

• Springer offers
  • Print copy for individuals
  • MyCopy edition
OA attributes in XML metadata

• Already a standard for OA journals—will be introduced for OA books
